

# FILTRATION SYSTEM

Emaux Filter & Pump Combos are equipped with the most optimal combination of our filters and pumps. The combination fosters energy efficiency and outstanding filtration process. The synergistic effect of our combos allows users to have an ease of mind as well as trouble-free installation.

# FILTRATION SYSTEM

## FSP-6W SERIES THERMO PLASTIC FILTRATION SYSTEM

Maximum Working Pressure 200 kPa (28 psi)  
 Factory Testing Pressure 300 kPa (44 psi)  
 Maximum Water Temperature 40°C (104°F)

### TECHNICAL CHARACTERISTICS

Model No	A	B	Filter	Pump	Valve Connections	Max Flow Rate	Sand (Kg)
FSP350-6W	555	680	P350	SS020	1½ inch 50mm	72 lpm 4.32m³/h	20
FSP400-6W	760	759	P400	SS033	1½ inch 50mm	108 lpm 6.48m³/h	35
FSP450-6W	760	813	P450	SS050	1½ inch 50mm	135 lpm 8.10m³/h	45
FSP500-6W	760	856	P500	SS075	1½ inch 50mm	185 lpm 11.10m³/h	85
FSP650-6W	760	961	P650	SS100	1½ inch 50mm	260 lpm 15.60m³/h	145

## FSF-6W SERIES FIBER GLASS FILTRATION SYSTEM

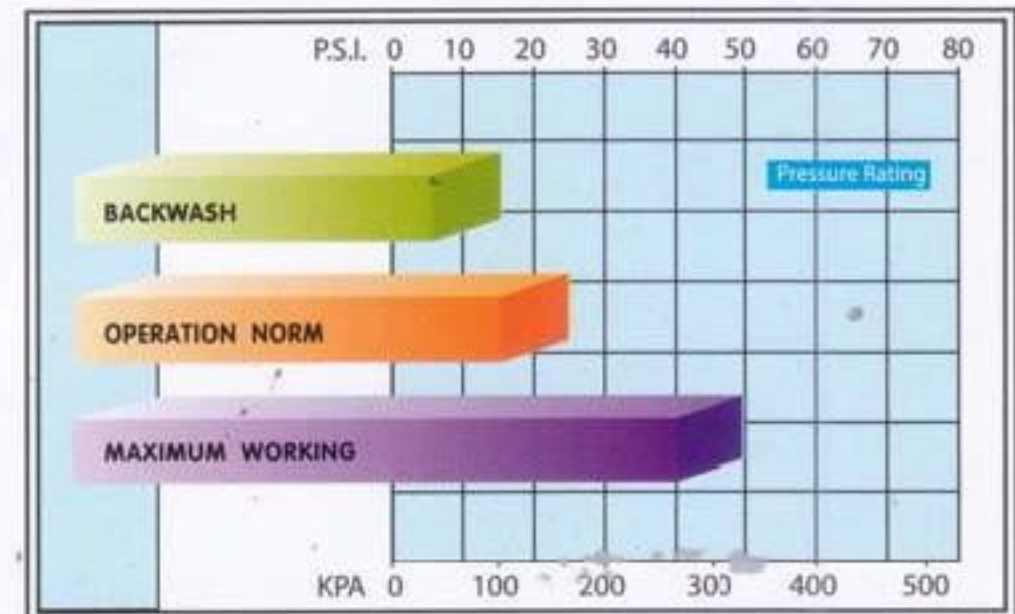

Maximum Working Pressure 250 kPa (36 psi)  
 Factory Testing Pressure 400 kPa (58 psi)  
 Maximum Water Temperature 43°C (109°F)

### TECHNICAL CHARACTERISTICS

Model No	A	B	Filter	Pump	Valve Connections	Max Flow Rate	Sand (Kg)
FSF350-6W	555	680	V350	SC050	1½ inch 50mm	72 lpm 4.32m³/h	20
FSF400-6W	760	759	V400	SC050	1½ inch 50mm	108 lpm 6.48m³/h	35
FSF450-6W	760	813	V450	SC075	1½ inch 50mm	135 lpm 8.10m³/h	45
FSF500-6W	760	856	V500	SC100	1½ inch 50mm	185 lpm 11.10m³/h	85
FSF650-6W	760	961	V650	SC150	1½ inch 50mm	260 lpm 15.60m³/h	145

### Standard Features Include:

- Exclusive design laterals with Side-slotted to draws water evenly and higher flows better filtration and longer cycles.
- The filters production is by Computerized System controlled with specially designed machines to ensure flexibility reinforcing the Quality on each Stage of manufacture.
- Six-positions, Top-Mount Multi-port valve Clamplock style.
- Extremely quite operation.
- Easy installation.
- Combination water and sand drain makes servicing & winterizing fast and easy.
- Filtration systems are equipped with dependable Dynamo pump.
